

PARKING POLICY FOR THE 2018-2019 WINTER SEASON

In order to provide convenient parking for our guests at Snowbird, the parking restrictions listed below will be in effect for all Snowbird and Concession Employees as of Sunday December 2nd at 12:00 AM for the 2018-2019 ski season.

1. Employees working between the hours of 6 a.m. and 5 p.m. are strongly encouraged to take the UTA buses, Canyon Transportation Employee Vans, or carpool with other workers, especially during the busy periods. Parking in the valley is available at the UTA Park & Ride at 6980 So. Wasatch Blvd., as well as 9400 South and 20th East, and the Swamp Lot at 8099 S. 3500 East (Wasatch Blvd.).
2. Employees coming to Snowbird for reasons other than work, such as skiing or snowboarding, should take the UTA Bus or Canyon Transportation Employee Van, or carpool to the resort with employees who are coming to work that day. If employees drive up for reasons other than work they are still required to park in the designated Employee Parking areas only.
3. Employees who must drive to Snowbird because their vehicles are used in their work here, or those who need to drive because they must leave early for reasons such as doctor or dental appointments, are required to park in Employee Parking areas and to have all vehicles, including motorcycles, they may drive to Snowbird registered with Public Safety.
